INTRODUCTION

Span, Inc. is a private, non-profit that has been serving the residents of Denton County since 1974. Our mission is “to enable people to live as fully and independently as possible by providing nutrition, transportation and social services to older people, people with disabilities, veterans, and the public.” Our vision is “to eradicate senior hunger and to eliminate gaps in transportation in Denton County.”

It is the policy of Span, Inc. that no person shall on the grounds of race, religion, color, national origin, sexual orientation, gender identity or orientation, physical or mental ability, age, or income status be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination or retaliation under any program or activity administered by Span.

Span reserves the right to modify, make additions to, and/or eliminate portions of these policies and procedures at any time. Updated versions of this document will be posted on Span, Inc.’s website, www.span-transit.org.

DESCRIPTION OF SERVICES

Span provides door-to-door, demand response, shared-ride transportation services to individuals residing within Span’s service area, traveling to and from areas within our service area. **In the City of Coppell, service is provided to seniors (aged sixty [60] or older – verification of age may be required), and/or people with disabilities (verification of disability may be required) residing in Coppell traveling to locations in Coppell, northward to Music City Mall in Lewisville, westward to Baylor Scott and White Grapevine, southward to Las Colinas Medical Facility, and eastward along the I-35 Corridor.** [See *Disability Certification* section for more information.]

If traveling to other areas, riders may qualify under our Denton County General policies. Span will also assist clients, when possible, who are traveling to destinations outside of Denton County by coordinating with other transportation providers, such as DART (Dallas Area Rapid Transit) and Trinity Metro. Out-of-county trips may require transfer to another bus or to rail service.

Span uses wheelchair-accessible vehicles to transport clients. Our drivers are available to provide limited assistance upon request. ***Our drivers are not trained to provide medical assistance.***

Examples of driver assistance include:

- The driver will assist passengers from the door of a residence or pick-up location to the vehicle, if needed.

- The driver will attempt to notify passengers of arrival.
- The driver will assist passengers in boarding and exiting the vehicle.
- The driver will take the passenger to the door of his/her destination.
- **The driver is the only person permitted to secure wheelchairs and other mobility devices.**

Examples of assistance our drivers will not provide include:

APPLICATION PROCESS

To use Span, Inc. services, prospective passengers must complete and submit an application, meet the eligibility criteria, and receive approval by Span, Inc. staff. Please also review the Disability Certification information below prior to submitting an application in case that portion also applies to you and additional documents are needed as part of the application process.

Applications may be obtained in the following ways:

- Call the Span Dispatch Office at 940-382-1900.
- Visit our website to print the application to complete it by hand.
- Complete the document online on our website

Once the application is fully completed, and if not completed online, the signed original should be emailed, mailed, dropped off, or faxed to:

Email address – span@span-transit.org

Fax number – 940-383-8433

Span, Inc.
1800 Malone St.
Denton, TX 76201

Please allow a minimum of 21 days to process the application once it has been received by Span. Properly completed applications will be processed immediately upon receipt. Only completed, signed applications will be considered for review.

Once the application has been reviewed and a decision is reached, dispatch will contact the applicant via phone to notify them. If the application is approved, the dispatcher will provide instructions on how to schedule a trip. If the application was not approved, a letter will be mailed via USPS stating the reason(s).

Span reserves the right to determine on an individual basis whether Span has the capability to safely transport a passenger. In the event safety is compromised, Span may decline transportation and will document why service was declined.

It is the responsibility of the passenger to provide their updated contact information, as well as updated emergency contact information, to the Span Dispatch Office when changes occur.

DISABILITY CERTIFICATION

In the City of Coppell, service is provided to people with disabilities (including some medical conditions) who meet regulatory criteria, at the Coppell contracted fare. In addition to the application, applicants whose contracted fare eligibility is contingent on a disability must submit a properly completed Certification Form. Both documents must be received and reviewed during the application process to qualify for the contracted fare due to disability.

A licensed physician or certified human services professional familiar with the applicant's condition must sign the Certification Form verifying the disability and the applicant's functional limitations if applying for service at the contracted fare based upon disability. It is recommended that the Certification Form and Application be submitted at the same time to prevent delay of the application review. Examples of licensed or certified human services professionals include Medical Doctor, Psychiatrist, Psychologist, Social Worker, Rehabilitation Professional, Physical/Occupational Therapist, Physician's Assistant, Registered Nurse, and Nurse Practitioner.

Once all documentation is received, Span personnel will make an evaluation and will request any additional relevant information, if necessary, about the applicant's functional limitations related to transportation. The applicant will be notified either by phone or a letter will be mailed via USPS stating the reason(s) once an eligibility determination has been made.

Notice of Eligibility Determination

An applicant who is determined to be eligible for the contracted fare due to disability will be sent documentation of eligibility via USPS to the address listed on the application. The document will include the name of the eligible individual, the phone number of the Span Dispatch Office, an expiration date for eligibility, and any conditions or limitations on the individual's eligibility including the use of a personal care attendant (PCA).

If the determination is made that an applicant is not eligible for the contracted fare due to disability, the written notification will state the specific reason(s) for the finding. Applicant may still qualify for ridership at the Denton County General fare. All applicants have the right to appeal the initial determination of eligibility (see *Grievance and Appeal Procedures*). Span employees and the Span Board of Directors strive to maintain an accommodation process that is cooperative rather than adversarial in nature, attempt to fulfill disability eligibility requests, when possible, and will document all attempts at reasonable accommodation.

Reapplication Process

Passengers will need to reapply every three (3) years from the date they are initially approved. Reapplication ensures Span's files are accurate and contain up-to-date information. Span will notify passengers when they are due for the reapplication process.

Accessible Materials for Blind or Low Vision Riders

Span will make reasonable accommodations to assist with the application process. If a person with vision issues calls, dispatch will assist in filling out the application and will fax it to their doctor for them.

Individuals with a vision impairment may request Accessible Materials such as large print, braille, audiotape, and electronic files usable with text-to-speech technology (known as screen reader technology). Requests for Accessibility Materials may be made to the Span Dispatch Office. The Span staff will work with individuals who request information to determine the most appropriate alternative formats.

Alternatives to Audio Communications

For individuals who are deaf or hard of hearing, or who have speech impairments, Span can provide accessible information, including "711" relay service. Visual aids may also be provided upon request. Requests can be made to the Span Dispatch Office.

Reasonable Modification

Span will make reasonable modifications in policies or procedures when the modifications are necessary to avoid discrimination on the basis of disability or to provide program accessibility to services, subject to federal limitations. Span staff will work with riders requesting reasonable modifications and follow up on reasonable modification requests within two weeks of the request date.

To make a Reasonable Modification request, individuals must follow these guidelines:

1. Whenever feasible, requests for modifications shall be made and determined in advance of a scheduled trip before Span is expected to provide the modified service. Modification requests should be made during the application process.
2. Individuals requesting modifications will need to describe what they need to use the service.
3. When a request for modification cannot practicably be made and determined in advance, Span personnel will make a determination as to whether the modification can be provided at the time of the request.

Drivers and other operations personnel may consult with Span management before deciding to grant or deny the request.

HOW TO SCHEDULE A TRIP

Trip Requests

Requests for service can be made from 8:00 AM until 2:00 PM, Monday through Friday, by calling 940-382-1900.

1. At the time of scheduling your reservation, you will need to provide Span with your name, phone number, the addresses of both the pick-up and drop-off locations and the pick-up and drop-off times. It is advisable to over-estimate the length of your appointment, rather than under-estimate it, as part of the determination of your needed pickup time. Please also let the dispatcher know if you will be accompanied by a personal care attendant, companion, or service animal.
2. Span does not provide pick-up service from public schools.
3. Please note that all scheduling requests can be made as early as 14 days prior or as late as one day prior (by 2:00 PM) to the date of service.
4. Same day call-ins, including unscheduled requests or will-calls for return trips, will not be accepted. Bus drivers are not permitted to make unscheduled trips or stops.

Scheduling

1. Span provides demand response service. We are a shared ride, public transportation service. As such, we will attempt to schedule your pick-up time as close to your requested time as possible, **but we are unable to guarantee requested times. This may require an earlier or later pickup, drop-off, or waiting time.**
2. You will receive a call/text from our automated service the evening prior to your ride, between 5:00 PM and 5:30 PM, informing you of your scheduled pick-up time. In addition, you will receive an "On the Way" notification via phone or text the day of your scheduled trip, approximately 20 minutes before the scheduled pick up/arrival time.
3. Due to traffic, weather, and other conditions beyond our control, ***the vehicle may arrive up to 15 minutes before or 15 minutes after your scheduled pick-up time, our 30-minute window.*** Once the bus has arrived, ***the driver will not wait more than 5 minutes*** for the scheduled passenger to board the bus.
4. Whenever possible, Span will attempt to notify passengers that the vehicle will be early or late beyond the 30-minute window, allowing passengers time to make other arrangements if the vehicle is unavoidably detained. If Span does not have a valid phone number for the passenger, we will be unable to notify the passenger of the scheduling issue. **It is the responsibility of the passenger to provide their updated contact**

information, as well as updated emergency contact information, to the Span Dispatch Office when changes occur.

5. Riders should carry any necessary medications with them in the event there is a significant delay. Riders who use oxygen should make sure they have an adequate supply. Riders who are diabetic or hypoglycemic should bring a small snack. Consumption of food and/or drinks on the bus is strictly prohibited, except for rarely encountered, medically necessary reasons. Please speak with the driver before consuming food or drink on the bus.
6. Only trips with scheduled pick-up times will be entered on the daily schedules.
7. Subscription service is available to a limited number of passengers who travel to the same place at the same time every week. If a subscription slot is made available to a passenger, the passenger will automatically be placed on the schedule for those trips. Subscription passengers must notify the Span Dispatch Office if changes need to be made to their subscription schedule or if the subscription service should be cancelled. A change in time, origination, or destination may change your eligibility for a subscription ride.
8. There may be times Span is unable to schedule service due to a variety of factors, including increased rider demand, capacity constraints, and staffing/scheduling limitations. However, we make every attempt to accommodate requested dates and times.

INCLEMENT WEATHER

Span, Inc. reserves the right to suspend, modify, or cancel service during times of hazardous weather conditions that have the potential to jeopardize the safety of our riders, drivers, or vehicles. If the roads are deemed unsafe by the Transportation Manager, we will not transport and you will not receive a confirmation call the night before.

In the event of severe winter weather, please check local news websites for updates.

SPAN CITY OF COPPELL FARES

The current fare for City of Coppell riders is

- \$3.00 per one-way trip

Without exception, Span passengers must pay the one-way fare, to the bus driver PRIOR to the vehicle's departure. ParaPasses and cash are the only forms of payment accepted. Please have your ParaPass or the exact fare amount ready. Since the same bus/driver may not be providing the return trip, advance payments and round-trip payments are not permitted. Passengers shall pay the fare in **exact change** or with a ParaPass. Drivers cannot make change.

If you do not pay the correct fare, the driver is required to contact the Span Dispatch Office. A determination will be made, and the ride may be denied. In that case, a no-show may be notated on your account.

ParaPasses

A ParaPass is Span's electronic fare pass. Funds are applied to a passenger's ParaPass card by phoning Span's main office at 940-382-2224 with a valid credit card, by mail via check or money order, or in person between the hours of 9:00 AM and 4:30 PM, Monday through Friday, at 1800 Malone Street, Denton, TX 76201.

New requests for a ParaPass submitted by mail should include the address to which the ParaPass should be mailed, along with the requested amount of money that should be applied to your account in the form of a check or money order made payable to Span, Inc. Please do not mail cash.

If the ParaPass is lost, please call Span's main office at 940-382-2224 for a replacement.

Gratuities and Tips

Drivers are not allowed to accept gratuities, tips, or gifts.

AIDES, COMPANIONS, AND ANIMALS

Aides/Personal Care Attendants (PCAs)

An aide is a social services attendant or personal care attendant (PCA) who is required to travel with a passenger, based on the disability certification. When an aide is required, the aide rides for free. The aide must be picked up and dropped off at the same address as the passenger. Riders who have a disability certification indicating an aide is required will not be transported if an aide is not accompanying them.

When a trip is scheduled, the Span Dispatch Office must be notified that an aide will be riding, so the aide can be placed on the schedule in addition to the passenger.

Under certain circumstances, Span may request that a passenger ride with an aide. Span does not provide aides.

Companions

A companion is anyone other than an aide who travels with a passenger. A companion will be required to pay a fare equivalent to the fare paid by the registered passenger. When a trip is

scheduled, the Span Dispatch Office must be notified that a companion will be riding, so the companion can be placed on the schedule in addition to the passenger. Last-minute companion additions will be scheduled if there is availability on both the A and B legs.

Animals

Per FTA guidelines, a service animal is: *Any guide dog, signal dog, or other animal individually trained to work or perform tasks for an individual disability, including, but not limited to, guiding individuals with impaired vision, alerting individuals with impaired hearing to intruders or sounds, providing minimal protection or rescue work, pulling a wheelchair, or fetching dropped items.*

Guide dogs and other service animals are permitted on Span vehicles and are allowed to accompany passengers. Other small animals are also allowed, but they must be contained in an approved pet travel kennel and must be restrained in the kennel throughout the trip. When scheduling a trip, passengers must indicate that an animal will be accompanying the passenger. Control of the animal is the responsibility of the rider. If an animal's behavior creates a hazard or direct threat, the rider is responsible for any damages or injuries.

CANCELLATIONS, WAIT TIME, NO-SHOW, LATE CANCELLATION, AND PENALTIES

Span acknowledges that unavoidable situations may arise that result in a passenger needing to cancel or miss a scheduled trip. However, frequent and excessive late cancellation and/or no-show of scheduled trips negatively affects our ability to serve all our riders. Span's goal is to educate passengers on our policies as a means of reducing the incidences of late cancellations and/or no-shows.

Cancellations

If you need to cancel a trip, please call the Span Dispatch Office at 940-382-1900 as soon as possible.

Wait Time

Riders are expected to be ready to ride when the bus arrives. Span bus drivers will not wait longer than five (5) minutes from the arrival time for passengers to board the vehicle. If the vehicle arrives within the 30-minute ready window (15 minutes before to 15 minutes after the scheduled pick-up time), the passenger must board the vehicle within 5 minutes of arrival time. Passengers or their associates may not ask the bus driver to delay this five-minute interval under any circumstances; this is to assure the timely pick-up and transport of all Span passengers. See *Scheduling* section for more information.

No-Show

Failure to meet the vehicle within five (5) minutes from the time of arrival will constitute a no-show. If a passenger fails to cancel their trip within three (3) hours before the scheduled pick-up time, that will also be considered a no-show. A passenger is allowed two (2) no-shows per calendar month without penalty.

Span understands that some no-shows are beyond the rider's control and those instances will not be counted as no-shows. Potential examples of excused no-shows include:

- Family emergency
- The scheduled appointment was canceled or rescheduled for reasons that are not the fault of the rider
- Illness that prevents the rider from being able to call and cancel
- The Personal Care Attendant (PCA) did not arrive in time to assist the rider
- The rider's mobility device failed

Late Cancellation

If a passenger cancels their trip on the day of service but does not do so at least three (3) hours prior to the pick-up time, it will be considered a late cancellation. A passenger is allowed four (4) late cancellations per calendar month without penalty.

Subscription Service Changes

Subscription service riders should contact the Span Dispatch Office at 940-382-1900 as soon as possible if a ride is not needed on a normally scheduled day. Advance notifications allow us to plan changes to our schedules, avoid any no-show notations on your account, and schedule our other riders more efficiently.

Penalties

We would certainly prefer not to have to penalize anyone. However, behavior that inflicts disruption and inconvenience for our riders, drivers, and office staff will not be tolerated.

- Three (3) no-shows in a thirty (30)-day period will result in the suspension of services for one (1) week. In the event there are three (3) no-shows during a thirty (30)-day period a second time, services will be suspended for two (2) weeks. If the problem persists, services may be suspended indefinitely.
- Five (5) late cancellations in a (30)-day period may result in the suspension of services for one (1) week. If the problem persists, services may be suspended indefinitely.

- Span may impose reasonable penalties for any passenger who develops a pattern or practice of missing scheduled trips, including indefinite suspension of services.
- Subscription riders who face penalties may lose their subscription slot.

The suspension will go into effect seven (7) days after notification of the suspension has been made to the rider.

MOBILITY DEVICES

Span vehicles, in compliance with the ADA and the Federal Code of Regulations, are designed to carry passengers utilizing wheelchairs. A wheelchair is defined as a mobility aid belonging to any class of three or more-wheeled devices, usable indoors, designed for and used by individuals with mobility impairments, whether operated manually or powered. *All mobility devices must be secured by the Span driver and the device must face forward during transportation.*

Span reserves the right to deny service if the mobility device is unable to fit safely on the vehicle.

SEATBELTS AND RESTRAINTS

Span policy requires that all passengers wear seatbelts at all times for their own safety, as well as the safety of other passengers. All wheeled mobility devices must be properly secured at all times the Span vehicle is in operation.

CARRY-ON ITEMS

You may only board the vehicle with packages you are able to carry yourself and maintain control of at all times. No bulk items are allowed (i.e., cases of drinks, bulk paper products, large bags of pet food or bags of potting soil). Your packages cannot block the aisle, displace another rider, or otherwise create a safety hazard. Drivers do not assist riders with packages.

Priority Seating

Priority seating is made available on Span vehicles and is designated for the elderly and persons with a disability. Persons sitting in those locations who are not elderly or disabled may be asked to vacate their seat to make room for an individual with a disability. Priority seating and the securement areas are intended to accommodate riders with disabilities.

RIDER COURTESY AND CONDUCT

- Riders shall maintain appropriate, reasonable personal hygiene.
- Shirts and shoes or other footwear must be worn.
- Service animals accompanying other riders should not be pet without the permission of the owner.

To ensure the safety and comfort of all passengers and the driver, the following activities are prohibited on all vehicles. Persons who engage in these activities may be refused service.

- Playing radios or using other devices that make sound, without using headphones
- Smoking, including the use of electronic cigarettes
- Eating or drinking
- Consuming alcoholic beverages
- Using or possessing illegal drugs
- Using obscene or abusive language
- Indecent exposure or sexual conduct
- Harassment or bullying
- Violent, disruptive, or threatening behavior
- Shoving, pushing, or behaving in a disorderly manner
- Interfering with the driver
- Causing actual or potential damage to the vehicle

Span reserves the right to deny service, including removing the passenger from the bus, if the situation is determined to be unsafe for the passenger, other passengers, the driver, or the public.

TERMINATION OF SERVICES

If a passenger does not follow Span Inc.'s policies and guidelines, services will be terminated as follows:

- If feasible, a verbal warning will be given.
- If the verbal warning does not result in compliance, the passenger will receive a detailed, written warning concerning the area(s) of non-compliance and possible sanctions.
- If compliance is not achieved after the written warning, the passenger will be notified in writing that their use of Span's services is suspended for 30 days, with a statement of the reason(s) for suspension.
- Failure to follow Span Inc.'s policies and guidelines an additional time will result in permanent termination of services, effective immediately. The passenger will be

notified in writing that their use of Span's services is permanently terminated, with a statement of the reason(s) for termination.

Span reserves the right to immediately terminate services without prior warning if a passenger poses a safety risk to themselves or any other person.

GRIEVANCE AND APPEAL PROCEDURES

1. Any individual has the option to appeal a suspension, termination, or rate eligibility determination. Appeals must be presented in writing within 30 days. Span's Executive Director will hear first appeals. Span service will not be suspended while the Span Executive Director is considering an appeal unless the suspension or termination resulted from behavior that was determined to pose a risk to the passenger or others. A decision will be made within two weeks (14 days). If the Executive Director upholds the determination, the individual may request that the matter be reviewed by a panel of Span board members, designated by the Span Board Chair.
2. If an individual requests an appeal of the Executive Director's decision, the Span board member panel will review all material submitted. A decision will be made within thirty (30) days. Span service will not be suspended while the Span board panel is considering an appeal unless the suspension or termination resulted from behavior that was determined to pose a risk to the passenger or others.
3. Span will notify the individual, in writing, of the Span board panel's ruling on all appeals. The notification will outline the ruling and the reason(s) for it.
4. Once the individual has been informed of the initial ruling or the ruling from an appeal, the determination will go into effect the following business day.
5. Span requires that all appeals be made within 30 days of notification of sanctions or eligibility determination.
6. All decisions made by the Span board panel are considered final.

Span Employees and the Span Board of Directors will strive to maintain an accommodation process that is cooperative rather than adversarial in nature, attempt to fulfill eligibility requests when possible, and will document all attempts at reasonable accommodations.
